

## Manager or Player Suspensions

1. No show for snack bar duty can result in a one game suspension for manager or player.
2. No field prep can result in a one game suspension for manager or player.
3. Any alcohol or tobacco problems can result in a one game suspension for manager or player.
4. The Montalvo Little League Complex is closed at all times except for the playing of scheduled games. No use of the complex for any other reason is permitted. Those found to be in violation are subject to suspension – Manager/Player. It is the manager's responsibility to inform his/her parents of this rule. The only exception to this rule is for all-star practice after league season ends. The Board of Directors has chosen to enforce these rules to assist in limiting the number of neighbor complaints, as well as allowing our fields to maintain their integrity.
